Student Fees Policy

Version 6, dated February 2023

A current Fee Schedule is available to all students in the student handbook and/or on First Door's website, prior to enrolment. The Fee Schedule details all fees relating to enrolment, ongoing course completion and the total course cost.

Student fees fall under two broad categories, fee for service or funded training.

1. **Fee for Service** means that the fees charges are set by First Door. We endeavor to offer appropriate fee prices and valued courses to our clients, while ensuring the costs of providing quality training and maintaining compliance with regulatory bodies is covered.
2. **Subsidised training** means training that is subsidised by the Queensland Government DESBT, as a result of First Door being a Skills Assure Supplier. Students are required to pay student contribution fees instead of full course fees, unless they are eligible to be fee-free students. Student contribution fees must be compliant with the relevant contract policy.

A summary of this information and eligibility for subsidised training and concessional fees is provided on our website under Career qualifications, pages: 'Government funding' and 'Course Fees and Policies'. Links are provided for subsidised training application forms, and for Skills Assure Supplier contract full information.

Other fees and charges

Incidental fees and administration charges are listed on First Door's Fees Schedule. Items on this list include fees pertaining to the replacement of lost certificates.

Student Prepaid Fee Protection

'Prepaid fees', sometimes referred to as 'fees collected in advance', relate to the fees First Door collects before the relevant services have been provided. These include payments made at any time before, during or after the student enrolls with First Door.

First Door complies with Standard 7, Clause 7.3 'Protect prepaid fees by learners' from the *Standards for Registered Training Organisations 2015*. To comply with this clause, First Door will not:

- accept more than \$1000 prior to the commencement of a qualification; or
- collect more than \$1500 in advance from a learner, following commencement of enrolment

Students that are eligible for subsidised training may pay their course Co-contribution fees in full, providing their course fees do not exceed the pre-paid maximum. Students can pay by Debit/Credit Card or by Internet banking payment.

Course starter fee

The non-refundable course starter fee must be paid to receive confirmation of your enrolment, and to get started in your course. This payment is made from your selected debit or credit card as provided on your enrolment form, unless this course starter fee payment is made by your employer (if you are a trainee or apprentice).

The course starter fee pays for the cost of your first unit fee, OR

if your unit fees are \$25 or less then the fee is for a minimum of three units in advance, e.g., for students with:

- \$25 unit fee - pay \$75 course starter fee for payment of first three units, OR
- \$10 unit fee - pay \$30 course starter fee for payment of first three units.

Full fee-paying students are also required to pay a **non-refundable enrolment fee of \$175** in addition to their first unit fee.

Fee charging and payment

First Door provides students with the option to pay your course fees in advance in the following three ways:

- In full** (providing the total course fees are under \$1,500).
- On a monthly payment plan following the course starter fee**, using an automatic payment system linked to your nominated debit or credit card. Payment plans are required to:
 - maintain a regular minimum monthly payment of at least \$30 and must cover the cost of at least one unit fee.
 - be paid over a maximum of 14 monthly payments and must be paid in advance of training plan unit start dates.
 - All course fees must be paid in full 15 months from enrolment and prior to the completion of the final unit.
- In three installments for full fee-paying students**, with \$1,000 paid at enrolment, then the balance of course fees split at 1/3, and 2/3 of course completion.

A Student Fees Agreement is developed for each student when they enrol, so that they understand their financial obligations to First Door and can budget accordingly. Students will be issued an invoice detailing the full fees associated with their course enrolment.

Prior to confirmation of enrolment the following fees and documentation must be received by First Door,

- completed personalised Student Fees Agreement and monthly fee payment schedule
- non-refundable course starter fee for payment of first course unit/s (or for a minimum of three units if unit fees are \$25 or less)
- non-refundable enrolment fee (for full-fee paying students only) as this is not required for Government funded students

The Fee Payment Agreement form is signed by the student over 18 years of age, or by their parent/guardian if the student is under 18 years of age. This signature acknowledges they have read and accept the **Payment Plan terms and conditions**, including the following:

- My nominated Credit/Debit account will be direct debited once per month, on the date I have selected, and for the amount detailed in my payment schedule.
- This payment will continue for the number of nominated months as listed, unless I choose to pay the course fees in full.
- A late fee of \$15 will be invoiced to me for payment, two weeks after due date, after four failed payments occur.
- If an error has been made in the payment of my Direct Debit to First Door, I am entitled to a full and immediate refund of the amount paid in error from my Credit/Debit Card.
- I understand that if I change the way I complete assessment for any of the units in my course, for example by RPL or if am progressing through my course faster than expected, then my payment plan may need to be adjusted accordingly.
- Any remaining fees due must be paid in full at course completion, or prior to my course completion, and before my qualification is issued to me.
- I can cancel my Direct Debit at any time, (in agreement with terms and conditions below) by contacting Accounts at First Door at either e: accounts@firstdoor.com.au or p: (07) 3204 4336.
- I must provide First Door at least seven (7) working days' notice prior to my next payment due date in the following circumstances;
 - Stopping a payment
 - Deferring a payment
 - Altering the Direct Debit nominated account details
 - Cancelling the Direct Debit arrangement completely, if I withdraw from the course
- If I cancel, stop or defer this Direct Debit arrangement and I am continuing to study with First Door, then an alternative arrangement will be required to finalise the remainder of my course fees.

The student's payment plan is to be maintained as per their signed agreement to avoid any default of course fees. Inability to communicate with First Door and make suitable arrangements to maintain course fee payments may result in cancellation of the student's enrolment.

HLTAID012 First Aid unit fee payment: for Government subsidised students only

First Door does not provide training and assessment for the unit HLTAID012 *Provide First Aid in an education and care setting*. Completion of this unit is provided through a registered first aid training provider. The cost of this unit HLTAID012 fee is reimbursed by First Door, providing this fee has been paid by the Government subsidised student while they are enrolled with First Door.

The student must provide First Door with the following required evidence:

- the unit HLTAID012 has been completed as competent by providing the First Aid certificate
- completed credit transfer application form, with the bank details to reimburse the cost of the HLTAID012 unit fee
- the paid invoice from the training provider for the HLTAID012 unit fee

Government subsidised students pay the regular student contribution fee for this unit HLTAID012 to First Door. The cost of this unit is included in the student's fees arrangement.

Note: Full-fee paying students pay the cost of this HLTAID012 unit fee directly to the training provider instead of to First Door. The cost of this unit fee is NOT included in the full fee-paying student's fee arrangement, therefore they are NOT reimbursed for the cost of this.

Fee payment by third party

The student's fees may be paid on the student's behalf by an employer or by a person unrelated to First Door. Student fees cannot be paid or waived by First Door, either with fee for service or subsidised training. If a person or an organisation is paying the fees on behalf of the student, they are required to complete a fee payment agreement form.

Fee collection procedure

If a direct debit payment fails to process, the student will receive an automated email to their nominated email address, notifying of the payment failure with steps on how to rectify the payment failure.

Our system will automatically retry to process the payment for four attempts (within 14 days). If still unsuccessful a late fee of \$15 is emailed to the student for payment. First Door administration will contact the student to arrange payment and/or update correct payment details.

Pausing or cancelling monthly fee payments

Students are required to maintain their fee payment schedule, as per their signed agreement. To change this agreement, the student must:

- provide seven days' notice in writing, by emailing: accounts@firstdoor.com.au with a request to change their payment details
- establish an alternative arrangement that has been agreed by First Door.

If the student has paid fees in advance totaling \$1,500, then the student's fee payment plan will be temporarily paused for the mutually agreed period.

Fee Refunds

Full refund

The student will receive a full refund of unit fees paid in advance and prior to commencement of training, for three reasons:

1. If *First Door* has to cancel the training and assessment, because either:
 - a course qualification or unit is cancelled by First Door
 - First Door is unable to provide training and assessment in the course
2. When a *student* provides at least two weeks' notice to cancel prior to their first unit start date, they will receive a refund of any unit fees paid in advance, excluding the unit/s paid within the course starter fee. The course starter fee paid by the student contributes towards the cost of the enrolment and welcome process, and is non-refundable.
3. As required under the User Choice Program and Queensland VET Investment Program policies, any prepaid student contribution fees are fully refunded for training delivery that has not commenced at the time of cancellation of enrolment. This applies for student's that receive Queensland Government subsidised training and pay student contribution fees.

Note: When a student withdraws from their course enrolment or cancels a training contract with First Door, the student must complete a course withdrawal form and a refund request form before they are eligible for a refund.

Compassionate partial refund

Compassionate partial refunds are considered when a fee-paying student withdraws for reasons of personal circumstances that are beyond their control, for example, the loss of a loved one, or an injury/illness resulting in inability to perform job role.

The compassionate refund request must be made in writing by the student and set out the reasons for the request. Eligibility for a partial refund will be assessed based on the services provided to the student and the costs incurred by First Door to provide those services to the student. Each case is handled individually and all decisions made are at the sole discretion of the Company Director.

No refund provided

There is no refund provided on prepaid course unit fees, if:

1. the student withdraws from the course on or after the agreed start date.
2. First Door is required to cancel the student's enrolment due to misconduct in student standards, as detailed in Policy 33. *Student assessment process*, or if the student breaches the eLearning agreement of use and online conditions.
3. the student does not commence or submit work within the agreed course timeframe, and/or they do not reply to contact from First Door, then they will have their enrolment terminated without fee refund.

Note: First Door will ensure we have followed student support processes to assist the student in completing the course before terminating the course enrolment. Students are able to request a course extension in writing if they have a valid reason, and this request needs to be approved by the Director of First Door.

Financial hardship

Students enrolling with First Door may apply for special consideration with regard to their fees if they are experiencing financial hardship. For students on a funded Traineeship or Apprenticeship the financial hardship guidelines in the current User Choice Policy must be applied.

Financial hardship is defined by First Door as follows: *Where a student is unable to meet their financial obligations because of illness, unemployment or other reasonable cause.*

Any student who needs to apply for an amendment to their fees or payment schedule due to financial hardship will be required to complete a Financial Hardship Form. This form is to be completed prior to enrolment with First Door, or in the event of unforeseen circumstances, during enrolment.

Students experiencing financial Hardship are to complete an application including the reason(s) behind their hardship. This may include, but is not limited to:

- single carer status and dependents living with you
- unexpected medical or other health issues, especially if likely to be prolonged
- long term unemployed
- without income through recent loss of job
- reduction in income resulting in debt servicing difficulties

Each case is handled individually and all decisions made are at the sole discretion of the Company Director. Funded Apprenticeship and Traineeship Financial Hardship applications are also determined within the constraints of the current User Choice Policy. The Company Director may also devise payment plans for learners experiencing financial hardship. It is expected that learners will agree to and adhere to the payment plans provided to them.

Financial Hardship Procedure

1. Learner requests Financial Hardship Form from First Door Administration
2. Completed form to be returned to First Door Administration
3. Application to be considered within 5 working days;
4. Outcome of Application sent to learner in writing (may also include verbal confirmation over the phone)
5. Student to decide whether to proceed with enrolment or not
6. If decision made to proceed with enrolment, the normal enrolment process is followed. Should a student be in a situation where they are experiencing financial hardship mid enrolment, the same procedure will apply from point 2. First Door will consider the learner's remaining fees when deciding how to progress with the application.

2. Your rights as a student

Access and Equity Policy

First Door is committed to access and equity in the provision of training and related services and accordingly to improving people's chances of getting into and succeeding in vocational education, training and employment. Complaints and Appeals Policy

Complaints arise when a customer is not satisfied with an aspect of our services and requests action to be taken to resolve the matter. Appeals arise when a student is not satisfied with a decision that we have made on their assessment work.

Any complaint or appeal must be considered in a transparent, objective and unbiased manner. The process incorporates the principles of natural justice and procedural fairness.

Any person wishing to make a complaint against First Door concerning its conduct as an RTO, whether a complaint, appeal or other matter, shall have access to the complaints/appeal flow. All formal complaints will be heard and decided within fifteen working days of the receipt of the written complaint by First Door. A 'Register of Complaints' which documents all formal complaints and their resolution will be kept. Any substantiated complaints will be reviewed as part of the continuous improvement procedure.

Complaints or Appeals Procedure

Informal Complaints

The student should first discuss their concerns with their Student Mentor, or other First Door staff member they feel comfortable with. If the matter is satisfactorily resolved during initial discussions no action is required.

The Student Mentor will make a note of the person's concern on the student logbook in WiseNet, so the feedback is kept and reviewed. Where a person is dissatisfied with the outcome of the informal complaint, they may then complain to First Door's Director, who will make a decision and record the outcome of the complaint.

Formal Complaints and Appeals

First Door will provide the complainant with access to an independent qualified assessor or panel who will:

- provide the complainant with the complaints/appeals form and instruct to complete details of their issue
- the complaint and its outcome shall be recorded in writing
- on receipt of a formal complaint First Door Director shall convene an independent panel to hear the complaint; this shall be the 'complaint committee'
- the complaint committee shall not have had previous involvement with the complaint and should include representatives of:
 - First Door
 - an independent person
- review their competency report / assessment / evaluation
- interview the complainant – the complainant will be allowed advocacy rights and will be provided with an opportunity to formally put their case
- the complaint committee will make a decision on the complaint
- where appropriate, provide the complainant with an opportunity for re-assessment
- provide a written statement, including reasons for the decision, to the complainant within five working days of making its decision
- the formal complaint/appeal and subsequent outcomes will be recorded in detail and maintained on file by the RTO
- if necessary, the circumstances and information surrounding the issue is investigated to the level warranted by its severity

The root cause of the complaint/appeal will be included in the continuous improvement cycle of the relevant standard/s.

Unsettled Complaints or Appeals

If the issue is not satisfactorily settled the client should be advised of the formal Complaints and Appeals Procedure.

If we are unable to resolve the issue, and you ask us to, we will have an appropriate independent third party provide a review at no cost to you. The independent third party will be an organisation, body or person identified and agreed to by all parties at the time.

Confidentiality

Confidentiality is maintained and anonymity preserved where requested. Complainants/appellants are informed where this may limit the extent to which their complaint/appeal can be investigated.

Records

All complaints and appeals are documented in writing and recorded on the Complaints and Appeals register.

Monitoring and Improvements

All complaints and appeals are used for continuous improvement processes. Follow-up actions may include:

- Ask for feedback from the client to determine whether they were satisfied with the way the complaint or appeal was handled
- Change the practice that led to the complaint/appeal and at a later date review the improvement to see that it is working
- Review records of complaints and appeals to see whether there are specific issues (or staff or services) that are being targeted, and whether the complaints and appeals are being resolved in a timely matter

Recognition of Qualifications Policy

First Door recognises the Australian Qualifications Framework Qualifications and Statements of Attainment issued by other Nationally Recognised Training Organisations. This ensures the mutual acceptance throughout Australia of AQF Qualifications and Statements of Attainment.

First Door will seek verification of the certification from the relevant RTO where there is some ambiguity.

Upon enrolment, the Trainer shall make students aware that any existing AQF qualifications or statements of attainment they possess will be recognised by First Door. If a student presents an AQF qualification or statement to the Trainer, the Trainer will take a copy and verify the authenticity of the qualification or statement. The verified copy of the qualification or statement is placed in the student's file. Once the qualification or statement is verified, the Trainer will give the student exemption for the units of competency or modules identified in the qualification or statement and update the student's records accordingly.

USI Registry access

Upon enrolment, students provide First Door with three months access to their official student records on the USI Registry. This access enables First Door to verify any previous completed Nationally Recognised Training courses, and any relevant completed units of competency. Having access to this information through the USI Registry meets verification requirements for our credit transfer process.

Recognition of Prior Learning Policy

All students shall have access to information about Recognition of Prior Learning (RPL). Evidence of RPL can be provided through informal education, life and workplace experience and voluntary roles.

Upon enrolment First Door shall make students aware of First Door's RPL policy. Trainers will remind students of this policy and provide opportunities to engage in the RPL process.

When approached by a student seeking RPL, First Door will:

- provide the student with First Door's information on our 7 steps in RPL assessment process
- provide the student with an RPL meeting and application Form
- provide the student with an RPL assessment tool for each unit, with information about the types of evidence that can be provided to support the requested RPL assessment
- make a prompt decision and notify students of the outcome of the RPL process
- update the student's records if RPL is granted

In developing the assessment for RPL for each qualification, First Door will ensure:

- compliance with the assessment guidelines from the relevant Training Package or accredited course
- assessment leads to a qualification or statement of attainment under the Australian Qualifications Framework (AQF)
- assessment complies with the principles of competency-based assessment (i.e. assessment is valid, reliable, flexible and fair) and informs the student of the context and purpose of the assessment
- the rules of evidence (valid, sufficient, current and authentic) guide the collection of evidence to support the principles of validity and reliability.
- there is a focus on the recognition of knowledge and skills to the standard expected in the workplace, including skills for managing work tasks, contingencies and the job environment
- timely and appropriate feedback is given to students
- assessment complies with First Door's access and equity policy

3. Shared responsibilities for progress

When you become a First Door student, we become partners in an agreement that is designed for your course progress and professional development. It's about knowing our responsibilities and being committed to work together to fulfil these, both as a student and as a training organisation.

Assessment Process Policy

Student Standards

These standards apply to all enrolled First Door students. The student standards for assessment include, but are not restricted to, the following:

- Assessment work is to be completed to an appropriate professional level to the student's job role/qualification. For example, the student's assessment work should be proof read using spelling and grammar check and required corrections made before submission to First Door
- Students must not copy work or breach plagiarism standards. The student declaration section of each assessment workbook is required to be completed by the student with their signature, name and date signed. The student declares in this declaration that "my work contained in this assessment workbook is not copied from any source and is my own work."
- Use of appropriate, courteous and respectful language and communication, to all stakeholders involved in their training and assessment.

Consequences for breaching these standards may result in the student's enrolment being terminated. Any person who has had their enrolment suspended or terminated has the right of appeal through First Door's appeals process.

Structured training plan assessment process

The structured training plan provides students with a timetable to work through a course unit each month, excluding one month per year (usually December). The structured plan is designed to support students to stay focused and motivated, with agreed due dates to submit their assessment work.

To suit the individual needs of some learners, training plans can be established for each unit to be completed on six-weekly cycle.

The following is a timeframe guide of our standard monthly assessment process:

Week 1: Current unit due date and new unit start date

- One week prior to the next unit start date, students receive an email to remind them of their current assessment due date and new unit commencement date, based on their training plan.
- Students are given access to their next unit's online resources the business day before the unit start date. These resources include the new assessment workbook to be completed.
- The start date for each unit is listed on the student's training plan and is either the 1st or the 15th of each month (unless otherwise arranged).

Week 2: Preparation

- The student continues using the provided online resources and completing assessment tasks, in preparation for their mentoring meeting.
- The student's mentor will contact the student to check progress and arrange the mentoring meeting for week 3.

Week 3: Mentoring meeting

- The student is to complete the mentoring meeting with their personal mentor, prior to submitting their assessment workbook.
- The student engages in a professional conversation with their mentor about the unit content, and is able to ask questions and seek feedback about their assessment work and practice at this meeting.
- This meeting enables the mentor/assessor to observe the practical skills as listed in the assessment workbook, and/or to discuss the oral questions for knowledge evidence. This mentoring meeting is therefore required as assessment evidence, and for the student to demonstrate competence.

Week 4: Assessment workbook due date

- Students are to submit their completed assessment workbook and portfolio evidence by email to assessment@firstdoor.com.au by 4pm on due date. Due date is shown on the student's training plan and is either on the 1st or 15th of each month (unless otherwise arranged).
- If a student requires an extension of the due date this should be requested and approved by the mentor prior to the assessment due date.

Assessment feedback

In providing assessment feedback to students, First Door uses the Principles of Assessment to ensure the assessment of each student's competence is fair, flexible, valid and reliable.

In addition, First Door ensures:

- timely and appropriate feedback is given to students within two weeks of submission
- assessment complies with First Door's access and equity policy
- all students are able to submit up to two reassessments to provide additional evidence, as required
- students are able to appeal their assessment rating. Please refer to our Complaints policy available in our *Student handbook*.

Assessment workbook resubmission support meetings

If a student has received feedback from the assessor that their assessment evidence is incomplete, then helpful feedback is provided about the evidence required in highlighted comments next to the assessment task.

The student's mentor arranges a *resubmission support meeting* with the student to support understanding of the assessment task requirements and successful completion.

When appropriate, the mentor may use the *resubmission support meeting* to support flexible assessment and this discussion can be used as evidence of the students' knowledge.

In this way, the student is guided and supported to complete and resubmit their assessment within a suitable timeframe (usually within 7 days).

Implications of overdue assessments for the student

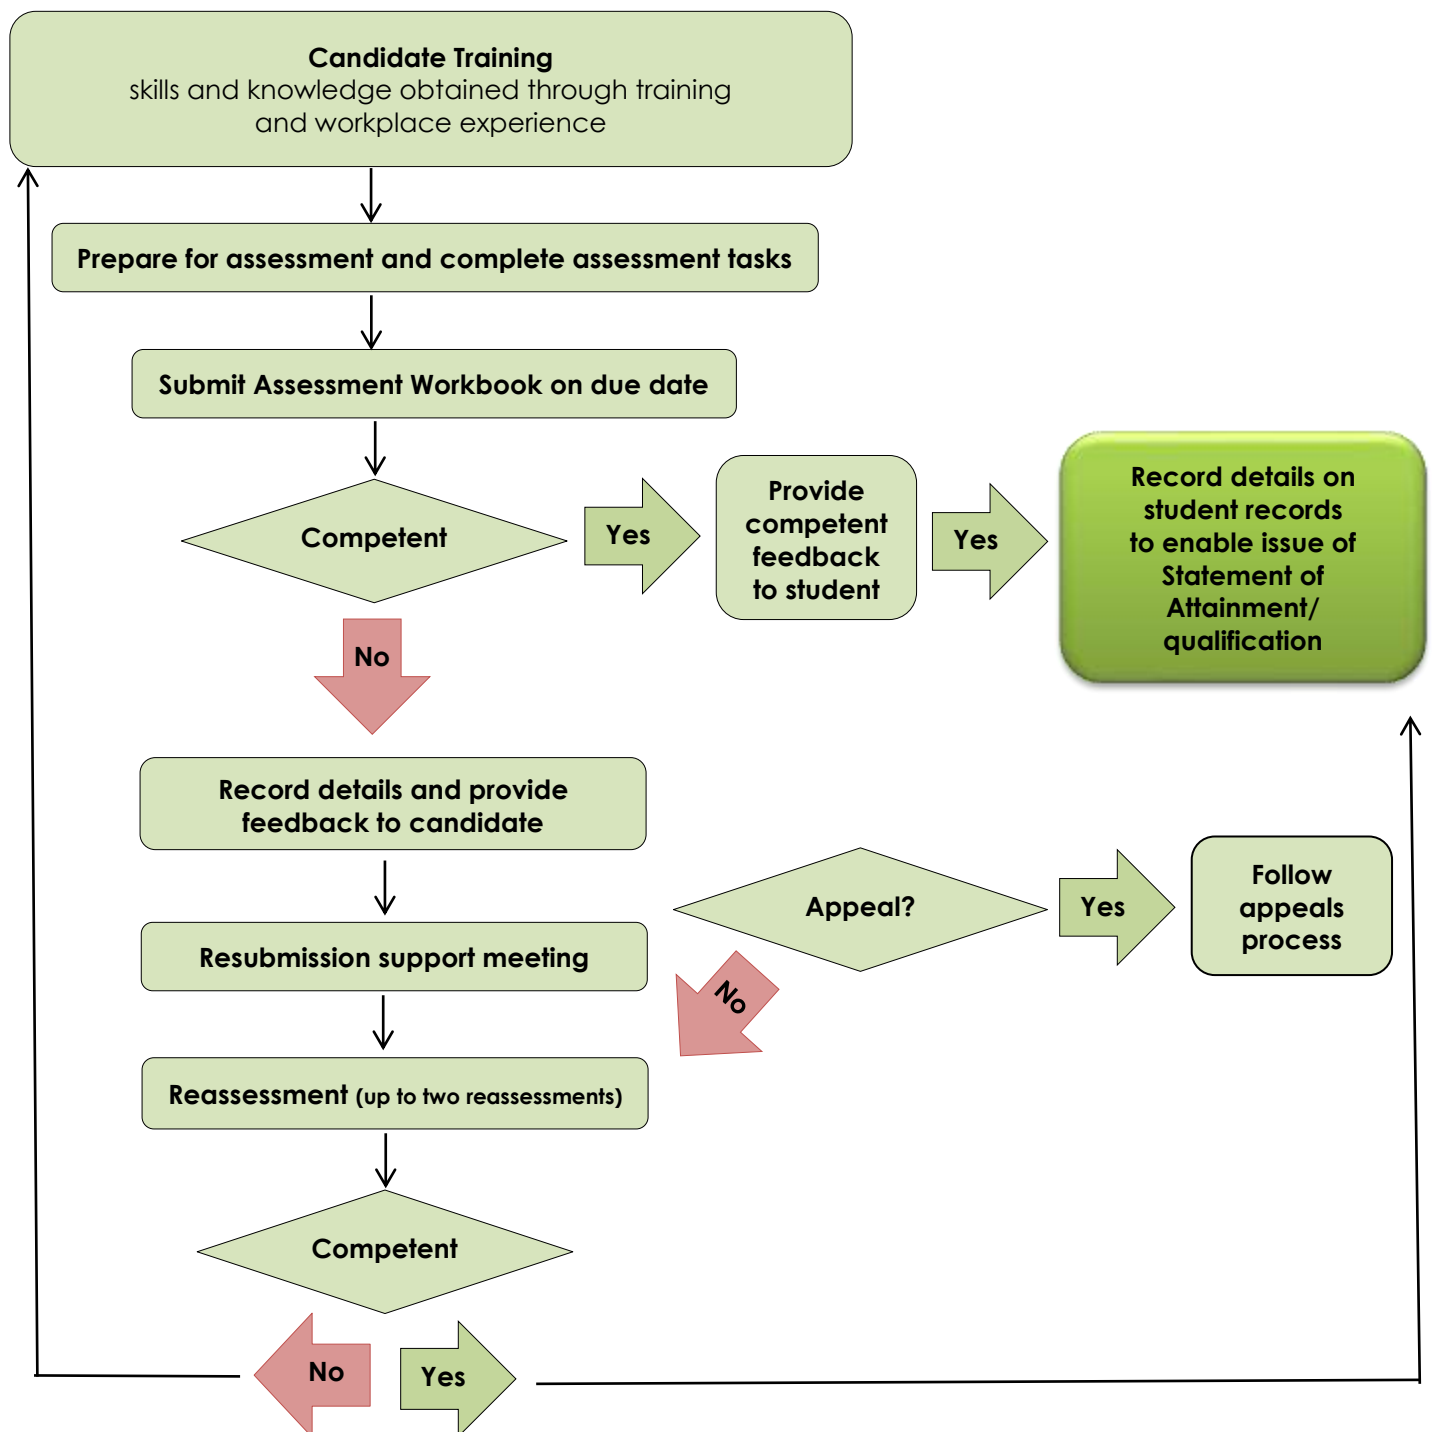

Having two or more overdue assessments can lead to negative consequences for students.

These consequences could include:

- delaying their course progress
- temporary *suspension of training plan**, and notification to employer
- jeopardising the student's employment as an educator, when the role requires the student to be actively working towards their qualification, and to be making satisfactory progress
- the student becoming inactive and not completing in the agreed course timeframe, resulting in course cancellation
- needing a course extension. The student must have a valid reason, with supporting evidence to submit a course extension request. This request form is to be completed six months prior to the agreed course end date, as detailed on the student's training plan.

Assessment Process Overview

Student Engagement & Course Progress Policy

Commitment to Student Progress

First Door is committed to supporting and encouraging students to make successful progress in their course. To support student's successful completion of each unit in their course, First Door engages in the following four strategies:

1. Accountability to training plan

We encourage students to have accountability for commencing and completing units according to their unit start and due dates, as agreed and detailed in their training plan.

2. Personal mentor

One-on-one mentoring is undertaken for each unit of study, in a manner which suits the student's circumstances. This mentoring meeting also supports effective monitoring of the student's training and assessment progress.

3. Study support

Each student is able to contact their mentor for study support by phone or email, between the agreed business hours on week days. In addition to this, weekly study support sessions by Zoom are available if extra study support is required.

4. Assessment resubmission support meeting

The mentor also supports the student to complete a submitted assessment workbook that has been assessed as 'Incomplete' by having an *Assessment resubmission support meeting* with the student. This meeting is usually by Zoom meeting.

Please refer to Student Support Services Policy for further information

Employer Contribution to Student Learning

First Door provides the student's workplace director/manager access to an online course, 'Employers Guide: for First Door students' to familiarise them with First Door's training and assessment practices, and Apprenticeship/Traineeship responsibilities.

First Door will encourage appropriate training supervisor/s in the workplace for each student as they will form an important part of the on-the-job training, assessment and evaluation processes.

Employer advice of progress towards qualification

The student's employer is provided with a monthly report of the student's progress, and receives a quarterly transcript of completed units by email from First Door's student coordinator.

The employer is invited to be involved in the *Support and Agreement* meetings with the student and mentor, if applicable.

Student advice of progress towards qualification

The student is advised by email of the assessment outcome within 14 days of submitting their assessment workbook to First Door.

First Door's student management system, Wisenet is updated with records that the student is competent within 7 days of the successful outcome. Students are able to access a current list of their completed units through using First Door's 'Student records log in' accessed through www.firstdoor.com.au

Each student receives a transcript of completed units, by email each quarter as an official document of their course progress.

Overdue assessment support strategies

We recognise that occasionally circumstances may affect a student's ability to complete assessments in the agreed time frame. Students are encouraged to contact their mentor to discuss any issues and concerns resulting in an overdue assessment.

First Door supports the student with four strategies to get back on track, when the student has overdue assessment work for one or more units. These four strategies are:

1. Request for an extension: at least 3 days prior to due date for assessment

The student must request an extension of the due date for their assessment workbook to be submitted, at least three days prior to due date. The written request is to be in an email to their mentor. The student's extension request must include the new date when the assessment workbook will be submitted by.

2. Recording and contact when 10 days over due date

If an assessment workbook is 10 days over due date. The student's records are updated as overdue in the relevant unit, and:

- the mentor emails the student to request contact for a support meeting by Zoom.
- if applicable, the mentor discusses the overdue assessment with the student at their next mentoring meeting, with the aim to support the student to complete the assessment.

3. Support & Agreement meeting: 2 units over due date

If a student has two units overdue, a *support and agreement meeting* is held with their mentor (and if relevant the employer) to establish barriers to success and to provide access to resources to help/support the student's success.

An agreement is made with the student for strategies to use to problem solve the barriers to submitting assessment workbooks by due date. Strategies are discussed and agreed on for the student to use, for example to improve their study skills and/or time management. This meeting is to support progress and avoid potential for the student's suspension of the training plan.

The outcomes of this meeting are recorded on the *Support & Agreement meeting* form. This completed form is uploaded to the student's records in WiseNet, for the student and mentor to access and refer to.

4. Temporary suspension of training plan: 3 units over due date

If a student has three units outstanding with overdue assessment workbooks, the student is advised that they cannot commence the next unit. The mentor applies a temporary suspension of the student's training plan to enable the student to submit the assessments for the overdue units.

The following actions are taken with temporary suspension:

- Support processes are implemented as required
- The student receives an updated training plan with new unit start and due dates.
- Monthly fee payments are suspended if the student has paid \$1,500 in advance.
- The student's employer is notified.

Course Extension request

First Door will not be obliged to extend the period of a student's enrolment if the student has not completed the course in the allocated time. However, every effort will be made to keep the student engaged and assist them in completing the course.

Students are notified by email that their course is due to be completed. This email is sent six months prior to the student's course completion date, as listed on their agreed training plan.

To request a course extension

The student must have a valid reason, with supporting evidence, for their inability to complete training and assessment in accordance with their training plan by the agreed course end date.

Examples of valid reasons to request course extension include:

- Long-term illness/medical reasons
- Bereavement of partner, close friend or in the family
- Academic workload, combined with school or university study
- Significant family/other commitment that was not known at enrolment

The student must complete a *course extension request* form, and provide the relevant supporting evidence. Depending on their personal situation, the extension request can be for a period of 3 – 12 months.

The extension request is either approved or declined by the Company Director, based on all available information and the supporting evidence provided. The student is notified the outcome of their request by email.

4. Our support for your success

Student Support Services Policy

Supporting Student Individual Needs

A comprehensive enrolment process will establish individual student needs. Once a student's needs are identified a First Door student needs process will be undertaken.

Red flags for individual learning needs or for Language, Literacy and Numeracy (LLN) needs are identified and recorded by the student's mentor from enrolment. This information is used to establish and document additional support strategies as required by the student's mentor.

Regular mentoring will be undertaken, in a manner which suits the student's circumstances, which will lead to effective monitoring of training and assessment. First Door will undertake workplace mentoring to observe practical skills, as required in the assessment conditions in some units.

First Door will monitor student progress through our student management system and will mentor students if disengagement is occurring, as detailed in the *Student Engagement and Course Progress Policy*.

We will endeavour to provide information and guidance to all learners. Information provided during enrolment will be used as a base to determine student support services. This includes but is not limited to:

- Learning pathways and possible RPL opportunities
- Provision for special learning needs including Language, Literacy and Numeracy

Language, Literacy and Numeracy (LLN)

First Door is committed to ensuring accessibility to all prospective students for the training courses we provide.

We also recognise that at times language and literacy problems may restrict a person from achieving the competencies required for particular courses or programs.

First Door will make every effort to assess a perspective student's ability to carry out the learning tasks and required assessments during enrolment. Where possible, the learning activities/assessments may be modified to compensate for those with literacy or numeracy skill needs.

Flexible Learning and Assessment Procedures

Our training and assessment procedures are flexible and take into account learner's individual needs.
